**THE TEWAARATON AWARD ANNOUNCES THE 2012 MEN'S AND  
WOMEN'S WATCH LISTS**

**Washington, D.C.** – As the college lacrosse season is just getting underway across the country, The Tewaaron Award is pleased to announce the 2012 Men's and Women's Watch Lists. The lists include the top players across all three divisions of collegiate lacrosse and highlight the early contenders for the 2012 Tewaaron Award.

This year's list has 64 schools represented, which is a record high. "We are particularly excited with the number of schools represented in this year's Watch List, which is a strong indication of the growth of the sport and the excitement that the Award creates throughout the lacrosse world" said Jeff Harvey, Chairman of the Tewaaron Award.

The Selection Committees are made up of top collegiate coaches and are appointed each year by the Tewaaron Award. "Our selection committees have a passion for this Award and these Watch List players should know that this is a distinction that only the best coaches could provide," said Sarah Aschenbach, Executive Director of the Tewaaron Award.

The Selection Committees will make additions to these lists as the season progresses and athletes earn a spot along side these elite players. In late April, both lists will be narrowed to 25 and these men and women will earn the distinction of Tewaaron Nominees. In mid-May, the 5 Finalists in each category will be announced. These finalists will be invited to the Tewaaron Award Ceremony, which will take place on May 31st, at the Smithsonian Institute's National Museum of the American Indian in Washington DC.

**About The Tewaaron Award:**

The Tewaaron Award was formally established in August of 2000 with the inaugural presentation taking place at The University Club of Washington DC in June of 2001. The Tewaaron Trophy symbolizes lacrosse's centuries-old roots in Native American

heritage. Tradition dictates that each year the Tewaaron Award celebrates one of the six tribal nations of the Iroquois Confederacy: the Mohawk, Cayuga, Oneida, Onondaga, Seneca, and the Tuscarora. To honor the heritage of the sport, the Award presents two annual scholarships to students of American Indian decent. The Tewaaron Award is recognized as the pre-eminent lacrosse award honoring the nation's top male and female collegiate lacrosse players and is endorsed by the Mohawk Nation Council of Elders and US Lacrosse.

**About The University Club of the City of Washington, DC:**

Established in 1904 during the tenure of William Howard Taft, the Club's first President and later the President of the United States, the membership is a diverse mix of professional, business and government leaders. The Club's mission is to provide members and their families: congenial social gatherings, good fellowship, excellent dining, guest rooms, athletics, a rich variety of cultural, international and educational programs activities, and other services to enhance health, wellness, intellectual growth and fitness within the Club's superbly maintained and expanded historic Clubhouse.
